

Leadership Academy is so much more than an internship program. By participating in Leadership Academy, you will receive an education and experience in ministry that will help you explore and develop your leadership and ministry skills. This is a one-of-a-kind opportunity to walk side-by-side someone already doing ministry and to get credentialed by Youth for Christ in the area of ministry. Participation in Leadership Academy is a two-year commitment.

Here is a sample of the Leadership Academy timeline and training.
